ADVANCED LEVEL EXAMINATION APPLICATION

All site applications must be completed and submitted to the Regional Examination Site with testing fees no later than 30 days prior to the test date.

NOTE: There is no longer a "State-Only" Intermediate or Paramedic Practical exam. All refresher candidates, regardless of EMT level, must successfully pass the National Registry Practical Exam for their level. Candidates taking the NREMT Computer Based Exam must submit their application and exam fee on-line at www.nremt.org. The Regional Test Site is not responsible for the National Registry application or National Registry fee and the fee is not included in the registration form below. You will not be registered for the exam until all paperwork and fees have been received. We do not accept personal checks. If we are invoicing your agency please include your billing address. Thank you!

Please circle which exam you are registering for:

Advanced EMT  Paramedic

Name:______________________________________________________ SSN:_______________________

Address:_____________________________________ City:________________ State:_____ Zip:_________
